Unity Church of Harrisburg

Unity Church of Harrisburg has agreed to extend our contracted venue time to 5-hours, bookending our reservation by one hour each way. Typically they charge \$125.00 per hour for anything over three-hours, but have agreed to charge us just \$100.00 extra for the additional time, resulting in a venue cost of \$400.00.

This extension was requested to accommodate extra rehearsal time and the setup and dismantling of the risers that will be required for our joint concert with the Baltimore Men's Chorus.

Our contracted time with the venue for Sunday December 16th now spans the hours of 2pm – 7pm.

Keystone Business Alliance

The mixer for the Keystone Business Alliance (formerly the Central PA Gay and Lesbian Chamber of Commerce) will be hosted by the HGMC and CPWC on November 14th from 6pm-8pm in the common area of the UCH Clover Lane location. We will need to provide the appetizers and drinks for the mixer, and both groups will have an opportunity to perform 1 or 2 numbers for the members.
