Winter Concert Video

The video of our winter concert has been uploaded to Groupanizer and is now available for the members to view.

Spring concert

Full disclosure regarding the use of profanity within the show has been presented to each of the scheduled venues, and the context for its use has been provided. We're currently awaiting their decisions before the show venues can be finalized.

Formal Chorus Photos

Since our membership has increased substantially since the last set of formal chorus pictures were taken, another photo shoot is currently being planned for this spring. Dates, location and times are yet to be determined, as they must be coordinated with the ordering and receipt of tuxedos for newer members and the availability of the photographer and venue space(s).

2019-2020 Concert Season Planning

I plan on having our 2019-2020 concert brochures ready in time for our May concerts, which is about 6-weeks earlier than in previous years. This will require that the show concepts, description, dates and venues be finalized no later than the end of March.
