

Musetta Report – May 2015

No Real Updates

Same as the April report. Normal maintenance, including Farm Show updates. The one exception is that I'll be setting up a special survey poll in early June to track our potluck selections for the July picnic at Doug and Aaron's house. This is just one more use we can make of Musetta. It will hopefully eliminate a lot of phone calling since we won't be having as many rehearsal and we can be sure to include our non-singing board member(s) and Fifth Section volunteers.
