

HGMC Finance Committee Report for Mar 21, 2021

Grant Writing

PPA (PA Partners in the Arts) Program Grant We received \$2000 program grant from the PCA for 2020-2021. Contract has been signed and returned. Check was deposited. This was only funded at 5/12 because of reduced funds from State due to financial crisis. For this year, funds do not have to be matched and can be used to sustain the organization through the pandemic. Application for 2021-22 Program stream was filed on January 15, 2021. No notification on status yet.

Arts for All Partnership Grant We have been approved for a \$4850 grant for the 2021 Spring Concert from the Arts for All program at TFEC. The check has been deposited. Steve will contact TFEC about modifications to the grant due to the cancellation of our live spring 2021 concert, once final plans have been made. It may be possible to shift this grant to Dec 2021 concert. Request for modification of the 2019 Grant to cover expenses for the December 2020 virtual concert was approved and final report was submitted. It looks like application for 2021 grant is due August 1, 2021.

Farm Show

Looking unlikely to have any events this season. The building remains closed and the Farm Show event in January will be virtual. GAOS is looking less likely to occur.

Fundraising

- Nothing new

Annual Campaign

We will conduct a mini campaign in conjunction with our Spring Concert and will begin planning for Fall 2021 campaign soon

Respectfully submitted on March 21, 2021

Steven Creps-Rougeau, HGMC Finance Committee Chairperson
