Nominating Statement for Paul R. Foltz (Director-At-Large)

My involvement with the Men's Chorus began in 1987 as one of the founding singers/members of the organization. My participation with the Chorus has ebbed and flowed over the years as my career and other personal obligations have allowed but in the intervening years I have already served in multiple capacities, besides a singer and Bass Section Leader, for the Chorus. I have been a Board member, then the Vice President for two years and four years as the President. I also served as Chair of the Production Committee for 12 years, where, among other duties, I inaugurated the annual Voices United Concert overseeing its production for 10 years. One of the most challenging roles I performed for the Chorus was as the Chair of Search Committee tasked with the hiring of a new Artistic Director upon the retirement of David Walker.

I believe I can bring an historical perspective to the Board while tapping into my knowledge base from my 40 plus year career in the Non-Profit arts Industry. It is for these reasons I ask to be considered for one of the Member-at-Large seats of the Board of the Harrisburg Gay Men's Chorus.
