*Is there anything further you would like to share?*

She would be my third choice

I am not sure that she has the level of experience we need.

This just didn't seem like the right fit. Maybe nerves interfered, but there were several missed cues.

While she is very nice, I don't think she is the right choice.

Enjoyable. She was very engaged and seemed at ease.

Not my first choice but good. Enjoyed her.

Not quite the right fit as Artistic Director – maybe a sub?
