

Halloween Fundraiser Report September 2023

Event will be held October 21, 2023. Call time is 6:00 Pm, doors open at 6:30 and show begins at 7:00.

Betty and Lizzy will MC the show. There will be guest performers: Jasmine LaBelle Houston and Skarlett Overkill. An email has been sent to David Payne to see if he would be willing to perform as well.

The title is "If you got it, fla-haunt it "

Jacko will man the door, ladies from the Womyn's chorus will run 50/50

The suggested donation at the door is \$10.00. There needs to be discussion on whether to have a buffet or to create goodie bags for the donation. If the buffet is selected, Cheryl Warner and Charlie Rankin will monitor it throughout the event.

Dan Snyder is confirmed for sound.

Dillon will be running through performer's pieces and offering constructive criticism on September 25th.

Stephen Creps, Jefferson and I will work on graphic designs to create business cards and other promotional material. We will need to forward finished drafts the four queens so they can push to their social media accounts.

Betty Whitecastle is confirmed to perform pro bono. I am waiting to verify if Jasmine LaBelle Houston and Lizzy Beaumont are donating their time. I will cover Skarlett Overkill's \$50.00 booking. I would like to discuss the tips generated by each queen and if funds would be shared or go to the ladies to cover their costs.

I will be meeting with Jennifer of the 704 Lounge next week to discuss possible drink specials and profit sharing.

I have also asked Allen if he would be willing to create an event memento that could be sold to generate additional revenue as well.

There will be a costume contest with 3 categories, Marlene is working on securing prizes.

- Best
- Most Original
- Classiest

50/50 tickets and wristbands have been ordered (\$29.56)

I will set up Sign-up-genius for food donations, if the buffet option is selected.
