

Annual Fundraising Campaign Report

December 2016

To date, our Annual Campaign efforts have generated **\$10,060.92**, broken down as follows:

- \$7,600.92 in donations (\$6570.36 received to date with \$1,305.00 in pledged support outstanding)
- \$1,650.00 in paid advertising revenue
- \$ 150.00 in paid song sponsorships
- \$ 660.00 in ticket sales (including member pre-sales)

(The figures reported for November 2016 were overstated by \$1,159.44 due to an entry error. That entry has been corrected and the above figures are now correct).

The following reports are attached to provide the line-item detail:

- Advertising Registry
- Donation Summary Listing
- Song Sponsorship Registry
- Ticket Purchase Registry.

Thank you notes have been written and sent to the eligible patrons, with the complementary concert tickets being included. The detail of that effort is documented within the Ticket Purchase Registry report.
