

Public Relations / Marketing Report

February 2017

Promotional Pictures

Angela Dicks is on board to do our promotional photography, we just need to give her a few weeks advance notice of when the pictures are to be taken. I will be making a motion that we allocate a stipend of \$100.00 to pay Angela for her photography services.

New signage hardware

HGMC has a new A-Frame sign and a free-standing retractable banner that can be displayed at our performance and events.

The A-Frame sign holds two 24" x 36" posters and is weatherproof, so it can be used inside or outside..

The retractable banner is 6½ feet high x 2½ feet wide and is self-contained in a weighted base.

Both of these items can be used at our Ware Center performance on March 3, 2017.

Respectfully submitted by Doug Wentz, Public Relations and Marketing Chairperson
