- I wouldn't change a thing, you guys are wonderful!
- Although it was a good theatre, it was distracting not to have a list of musical numbers performed. You are fabulous singers.

- I had fun memorizing the program. Loved Nancy! Would like a traditional Xmas song or two.
- The singing down to a conservative white woman as a parody on her madness was a bit much. But otherwise, great show!

(Heidelberg Church – York)

- Loved it! We had a great time. The only thing to make it better would be more songs.
- How about some all-male voice Christmas carols? It seemed the theme was Desperate Sad Lonely Gay Men. Why bring people down for the Holidays? PS: The end got better.
- I enjoyed the show so much. Thank you for helping really get me into the Christmas spirit! Merry Christmas!
- Enjoyed the chorus and felt the show was entertaining. I was a bit disappointed with all of the gay stereotypes all in one show, ie: assless chaps on the program, “Nancy” boys, house made to look like an anus bent over for Back Door Santa, reference to “faggot” in song, and way too much drag queen action. Would like to have enjoyed more holiday music since it was a Christmas concert.
- Very creative and entertaining!
- Great soloists, wonderful harmony, tremendous program.
- You were absolutely GREAT! Thank you so much for sharing your talent with us. Happy Holidays and have a wonderful New Year. One Small suggestion – chorus director was hard to hear at time. Maybe a mic?
- Loved the show!! Microphones – I missed some of what was said. Merry Christmas!
- No suggestions. All sing so well and you know they love singing! Great job.
- This was once again an excellent concert. Always enjoy you guys, you always look like you’re having so much fun.
- Great singers. Nancy was awesome, but a little too much joking there. More music please!
- Excellent programming. “Fun”.
- Nothing to change. Delightful and unexpected. Only comment to improve – Adam speak out and project. The lines were important but sometimes missed.
- Greatly enjoyed nice big rich sound – especially when all sang together. Nancy was nice humor element between songs. (I like her !).Favorite sweater is skiing Santa.
- Liked Hard Candy Christmas, Band Aid song. Parts seemed drawn out.
- Loved the themes! Loved Hard Candy.
- Enjoyed the show. Didn't like all the pieces of paper that fell out of the program booklet. They fell under the pew and I couldn't reach them.
- Had a wonderful time – great show!
- More up beat songs
- Great job!! See you next year!
- Some of the soloist need amplification.
- It was just perfect I loved it. No need to fix anything.

- My first experience. Enjoyed the evening. “Fun”. One suggestion, director needs a microphone, very difficult to hear him speak. (I will come next year and bring friends)
- Enjoyed very much
- Wonderful – so fun and great harmony. Beautiful setting.
- Loved it!! Thank you.

(Unity Church – Enola)

- Loved the concert. Made me want to sing along. Will be back for your next concert.
- Loved the chorus but there must have been a few upbeat songs during the 80's, and a few traditional songs would be nice.
- I liked the combination of songs

- Very entertaining. Enjoyed Nancy's cameo!

- The best one yet! Great song selection – perfection!! Love the acting! Great energy!
- It was fun! Maybe 1 or 2 singalongs?
- Loved it !
- Can't think of a thing – I thought it was great!
- What's with the Devo lamp? Is this a private joke among the chorus? Reduce the number of programs/insets (Green it up!)
- Wonderful Entertaining Fabulous
- Enjoyed the show! Happy to see you perform without music. Would like to see different groups of your singers perform instead of the same five guys every time.

- Very nice
- Loved the way the messages were presented in humor – great concert guys! Adam needs to turn toward the audience when speaking. Announce that raffle tickets are sold at all concerts.
- Always an excellent show. Loved the comedy with the performances. Keep up the good work!

- One can be gay and proud of it without being in-your-face tacky and offensive (picture for song #14 was crass and juvenile).
