

Musetta Report – September 2015

Note to Committee Chairs

All chairs should be sending their calendar events directly to me if they are missing from the calendar, as well as a list of their members. The latter is important so that emails sent from Musetta have accurate lists to go by.

Annual Membership Application

Only one board member has yet to submit her (grin) annual membership application in Musetta, but I'm sure she (hint) will do so ASAP. One returning and three new singers have yet to complete their application and Jeff has been advised.

Database Entries

Any board member with the authorization to make changes to Musetta contacts is responsible for doing so in line with official postal requirements. It's a long list, so if you're not familiar with them, look them up. If it was your own list you could do it anyway you want. It's not. Follow the guidelines or send the changes to me.
