

Annual Campaign (Final) Report – April 2016

Donor Appreciation Reception

The Reception this month was under-attended, yet over-appreciated! The four non-member donors who attended were blown away by the idea that the Chorus would put on a party for them. I hope the members who attended were impressed with the casual elegance of Cielo AND that they were only asked to show up and enjoy the afternoon, not contribute time, money or effort. I feel it's just as important to acknowledge our members as well as our non-member attendees. Thank so much to board members Jeff, Eddie, Marlene and Bob for showing up and celebrating with us.

Budget

I've been informed by our treasurer that the Annual Campaign is under-budget for the year!

Transition to the New Annual Campaign manager

All my duties for the 2015-16 annual campaign have been completed. All supplies and physical files (along with a disk of electronic files) will be transferred to Jeff at your board meeting this month for whoever is taking over this position.

Once again, it's been my honor to have served for a total of five seasons (2009-2012 & 2014-16) in this capacity with the Chorus.
