Grant Writing Report
December 18, 2017

- The Foundation for Enhancing Communities (TFEC) sent the official letter notifying us of our \$3000 award for calendar year 2018. Adam signed, and I witnessed the enclosed Grant Agreement Letter, and returned it to TFEC. The \$3000 check arrived the week of December 11.
- The \$1,472 check from PA Council for the Arts through Jump Street has not yet arrived. Last year's check did not arrive until January 2017, so I see no reason for concern as of now.
- I sent an impact report to Tina Nixon regarding our \$500 donation from UPMC/Pinnacle.
- All the grant documentation residing on my personal computer and flash drive, including applications, attachments, and copies of endorsement letters, was copied to Groupinizer for future reference.

Respectfully submitted by Ted Neal, Secretary.
