

I wanted to give a quick update about Spring.

1. I have a couple of very talented former female students who will be helping us. That said, they are both very young, so I'd like to find a couple of others who might be willing to share experiences from a different age perspective. I'm going to give my students a song to perform because, A. They are both great singers, and B. It will help with the amount of repertoire we give the guys!

2. Here is the repertoire list:

Selections that we own:

Will You Love Me Tomorrow -- Carole King
Girls Just Wanna Have Fun -- Cindy Lauper
A Wish and a Promise -- Jill Galina
Homeward Bound -- Marta Keen
Disco Mash -- Me

Selections that we need to purchase:

The Rewaking (Not a typo) -- Augusta Reed Thomas
Sweet Dreams Are Made of These (non-Xmas version)
Refuge -- Gwyneth Walker
Proud -- Heather Small
Brighten My Soul With Sunshine -- Joyce Eilers
I'll Stand By You -- Chrissie Hynde
I Will Remember You/I Will Always Love You -- Sarah McLaughlin, Dolly Parton

I Need to Arrange:

Love Will Come to You -- Indigo Girls

Need to Get from Baltimore:

Light of a Clear Blue Morning -- Dolly Parton
