

AD Report: 4/15/2018

Girls, Girls, Girls:

Script is done. The ladies are rehearsing, and we look ready to go. I sent an email to the entire group about reinvesting in the chorus this week. Hopefully, it will help a little bit. Joey Randazzo will be recording our concert on May 12.

Summer Rehearsals:

Mondays in July (2,9,16,23): 7-9pm

Dress Rehearsal: 7/26

The other groups were pretty adamant that we have summer rehearsals for group numbers. I was the only voice of dissent, and it didn't seem fair to veto. Due to a family obligation, there is a chance that I will be finding a guest conductor for this event. I'll let you know more ASAP.

Next Season: The production committee is meeting on 4/15 to finalize dates and themes for next season.
